

# Third Grade News

Sept. 24, 2018

Waddell Elementary  
School

## Classroom Information

Please help your child practice counting money to \$5.00 at home. Many students find it helpful to use touch points when counting money. A quarter has 5 touch points, a dime has two and a nickel has one. Students count by 5's using the touch point.

This week we will be wrapping up our Ancient Egyptian unit. Please review your child's study guide with them. We will be doing a performance-based assessment on this unit so your child needs to know this material.

## Dates to Save

Sep 24	Rowsey to Boxerwood
Sep 25	Fall Pictures and Rowsey, Make-a-Splash
